11th Southern African Energy Week 2010

*22nd - 25th February,
Johannesburg, South Africa*

sponsor with us

The 11th Southern Africa Energy Week is a landmark event in the Global Pacific & Partners calendar designed for leading energy executives with interests in the Southern African region.

The programme includes the following events: 6th Southern Africa: Strategy Briefing, 6th Africa Power Conference, 11th Southern Africa Energy Conference and the 30th PetroAfricanus Dinner: On The Highveld.

Expose your company to:

Africa's leading energy companies

key government officials

high profile energy executives

it's a cost effective solution

We offer a range of sponsor packages that include delegate passes, show guide adverts and extensive promotional opportunities.

Display tables are fairly priced and highly profiled at networking breaks with repeat business common to all of our events.
